ESMT again in Top 30 of *Financial Times* Executive MBA ranking

- **ESMT EMBA program placed 30th worldwide**
- **Highest ranked program for career progress for the third time in a row**

ESMT European School of Management and Technology has been placed 30th in the [Financial Times global ranking of Executive MBA \(EMBA\) programs 2014](#). The international business school is ranked 13th in Europe.

For the third time in succession, the [18-month modular program](#) was the top-ranked program in the area of career progress, demonstrating the advancement of graduates' careers after program completion. In addition, the ESMT EMBA was placed sixth in the category of aims achieved. This shows that ESMT alumni were especially successful in achieving the goals they had set before taking up their studies.

[Jörg Rocholl](#), President of ESMT, commented, "This good placement is once again a testament to the high quality of the EMBA program at ESMT."

About ESMT

ESMT European School of Management and Technology was founded in October 2002 by 25 leading global companies and institutions. The international business school offers a full-time MBA, an executive MBA, a master's in management as well as open enrollment and customized executive education programs. ESMT focuses on three main topics: leadership and social responsibility, European competitiveness, and the management of technology. Additionally, the business school provides an interdisciplinary platform for discourse between politics, business, and academia. ESMT is based in Berlin, Germany, with Schloss Gracht as an additional location near Cologne. ESMT is a private business school, accredited by the German state, AACSB, AMBA, and FIBAA. Since 2013 ESMT has the right to grant PhDs. www.esmt.org
