R&D Annual Report 2016 illustrates high-quality research output at ESMT Berlin

- **25 peer-reviewed journal articles, 12 in A+ journals**
- **Two new professors on ESMT faculty**

ESMT Berlin has recently issued its [R&D Annual Report 2016](#), highlighting the significant academic impact of the school's research. Members of the ESMT faculty published 25 peer-reviewed articles, 12 of which appeared in the most influential A+ journals such as *Administrative Science Quarterly*, *American Economic Review*, *Journal of Marketing*, *Management Science*, and *Operations Research*. In 2016, the international business school hired two new professors in the area of organizational behavior: [Gianluca Carnabuci](#), associate professor and formerly of the University of Lugano, and [Martin Schweinsberg](#), assistant professor and previously with INSEAD.

Supporting international academic collaboration and exchange, ESMT held nine conferences and 38 research seminars in 2016. Additionally, the school hosted seven open lectures with opinion leaders from both academia and industry.

About ESMT Berlin

ESMT Berlin was founded by 25 leading global companies and institutions. The international business school offers a full-time MBA, an executive MBA, a master's in management, as well as open enrollment and customized executive education programs. ESMT focuses on three main topics: leadership and social responsibility, European competitiveness, and managing technology. ESMT faculty publishes in top academic journals. Additionally, the business school provides an interdisciplinary platform for discourse between politics, business, and academia. The business school is based in Berlin, Germany, with Schloss Gracht as an additional location near Cologne. ESMT is a private business school with the right to grant PhDs and is accredited by the German state, AACSB, AMBA, EQUIS, and FIBAA. www.esmt.org
