DSI Director Gaycken elected Director of Research at French elite university

Sandro Gaycken, Director of the Digital Society Institute (DSI) at ESMT Berlin, has been named Director of Research for Cyber-Stability at the French National Research Center for Defense, Security, Terrorism and Radicalization. The center is a unit of the National Conservatory of Arts & Manufacturing (CNAM), one of France's *Grand Écoles*, the country's most prestigious institutions of higher education.

Gaycken is an expert in cybersecurity and cyberwarfare. Among other things, he is an advisor to NATO and the German government and has helped develop the German foreign cyber policy strategy.

About ESMT Berlin

ESMT Berlin was founded by 25 leading global companies and institutions. The international business school offers a full-time MBA, an executive MBA, a master's in management, as well as open enrollment and customized executive education programs. ESMT focuses on three main topics: leadership, innovation, and analytics. ESMT faculty publishes in top academic journals. Additionally, the business school provides an interdisciplinary platform for discourse between politics, business, and academia. The business school is based in Berlin, Germany, and has a branch office in Shanghai, China. ESMT is a private business school with the right to grant PhDs and is accredited by the German state, AACSB, AMBA, EQUIS, and FIBAA. www.esmt.org
